William A. Baker

Term Expires 1987

Marianne F. Pelletier

Term Expires 1987

**BOAT TAX COLLECTOR**

John G. Carley

Term Expires 1987

#### ALICE G. KNOWLES

Alice began teaching in Newton in 1933 soon after her graduation from Lowell Normal School and she taught here continuously until her retirement in 1968. She then did substitute teaching for several years. Alice saw many changes in both the school system and the personnel during those years.

As a teacher and a Newton resident, Alice has been part of the school's growth from a past which included the two room school at Rowes Corner, the two room Village School, the one room school at the Newton Junction Fire Station to the present, existing system. Five teachers taught grades one through eight when Alice began teaching.

Alice has given a great deal of quality time and effort to a number of organizations. These groups include the First Christian Church of Newton, the Eclipse Grange, the Starlight Rebecca Lodge, the American Legion Auxiliary of Plaistow, and the New Hampshire Retired Teachers' Association.

Following the death of her husband, Roy, in 1986, Alice continues to live in Newton and she remains interested in happenings and events in the schools and the Town of Newton. Many Newton residents, their children, and grandchildren, fondly remember Alice Knowles, who taught them their basic skills.

TOWN WARRANT  
1987

The State of New Hampshire Town Warrant

THE POLLS WILL BE OPEN FROM 10:00 A.M. TO 7:30 P.M.

To the inhabitants of the Town of Newton, N.H., in the County of Rockingham, in Said State, qualified to vote in Town Affairs: you are hereby notified to meet at the Town Hall, in said Newton, on Tuesday, the tenth day of March next, at ten o'clock in the forenoon, to chose all necessary Town Officers for the ensuing year by official ballot, and to take other action required to be inserted on said ballot; the polls to be open at ten o'clock in the forenoon and to close not earlier than seven-thirty o'clock in the evening, and thereafter to reconvene at the Sanborn Regional Middle School in Newton, on Wednesday, March 11, 1987, at seven o'clock in the evening for the purpose of acting upon all other matters to come before the Meeting.

1. To choose all necessary Town Officers for the year ensuing.
2. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town of Newton Building Code as follows:  
Delete Section 10 of Article 1 of the Building Code of the Town of Newton and insert in its place the following: "All buildings and structures shall be subject to the regulations, restrictions and conditions in accordance with B.O.C.A. (Building Officials and Code Administrators Inc.) The latest issue of the B.O.C.A. Regulations shall apply, substituting for the violation penalty section 117.4 of said code New Hampshire Revised Statutes Annotated 676:17 and granting appeals authority to the Newton, N.H. Board of Appeals".
3. Are you in favor of adoption of amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows:  
"Increase the depth of the Commercial Zone as shown on the Town Zoning Map, page 1 of the Newton Zoning Ordinance from 500 feet to 1,000 feet or its present lot line on South Main Street, south of Merrimac Road.  
"1. Change to include all of lots 24, 25, 26 and 28 as shown on the Town of Newton tax map #14, dated April 1, 1986.  
"2. Change to include all of lots 2 and 3 as shown on the Town of Newton tax map #13, dated April 1, 1986.  
"3. Change to include lot 24 plus that portion of lot 15 that lies within 1,000 feet of South Main Street as shown on the Town of Newton tax map #13, dated April 1, 1986, plus lots 13, 15, 17, that portion of lot 14 that lies within 1,000 feet of South Main Street and that portion of lot 16 that lies between the gas line right-of-way and South Main Street as shown on the Town of Newton tax map #12, dated April 1, 1986."
4. Are you in favor of the adoption of Amendment No. 3 to the Zoning Ordinance as proposed by petition of 25 or more legal voters for this Town?
  1. Creation of an Innovative Cluster Zone located on the 210 (plus or minus) acre Sargent Estate known as parcel 01-027 on zoning map 014. This to be in addition to the land's current Light Industrial/Commercial Zoning.

Q) Landscaping in keeping with the general character of the surrounding areas.

R) Signing and exterior lighting.

S) Submission of proposal along with abutting property owner's names and addresses shall be in accordance with the Town of Newton subdivision regulations in order to provide fortimely notification to abutters of a public hearing to review said parcel.

T) A performance bond and other legal data shall be submitted as required by the Planning Board to ensure the completion of streets, buffers, and amenities in accordance with the accepted plans and subdivision regulations of the Town of Newton as adopted or hereafter.

U) Amendments to an approved plan. The owner, his agent or his successors or assigns will make no alterations or additions or deletions from the approved Innovative Cluster Development Plan except as approved in advance by the Planning Board. All requests for changes to the approved plan shall be made in writing to the Board and shall be accompanied by such documents as the Planning Board shall deem necessary to explain the requested change. The Board shall determine if the requested change is minor or major in nature.

a) Minor changes - A minor change shall be one which respects the approved plans basic land allocations in terms of use and intensity, the type and variety of facilities and dwelling units being approved, and/or the timing for providing these facilities, but shall not include any increase in the overall density of the development. The Board may hold a public hearing on the proposed change with proper notification to all abutters, including those of the original proposed development as well as any additional ones which may have been created by development activity within the development itself. The Board shall then act to approve changes involving changes in any lot boundaries shall be recorded as a subdivision change in the Registry of Deeds.

b) Major changes - Any requested change which the Board determines does not qualify as a minor change shall be required to be submitted as a separate rural Cluster Development Plan in accordance with these regulations and procedures.

V) To insure maximum esthetic compliance with Newton's rural character the following regulations are set forth:

a) Maximum height of structures to be 27 ft.

b) When a buffer zone lies either partially or wholly in a field, a screening plan must be submitted. The plan should include number of rows, number of trees per row, types of trees to be planted, height of trees to be planted (spruce minimum height to be 6 ft.) and expected height of trees in ten years. (All others minimum height to be 10 ft.) The goal of the screening plan is to obtain 80% screening (summer foliage) in ten years.

c) Screening Bond - When a screening plan is required, a bond in an amount determined by the Planning Board (not to exceed 70% of the estimated screening costs) shall be held by the Town of Newton for a period not to exceed five years.

J) Minimal distance between clusters is established at 60 ft. A minimum landscaped buffer of 50 ft. is to be maintained between clusters and all roadways, parking, and detached garages. Driveways servicing garages contained within the framework of the cluster are exempt of the 50 ft. buffer.

K) The demising walls, which are the walls separating individual units within a cluster, shall have two hour fire ratings.

L) Open space, common areas, common facilities, private roadways, and other features within the Innovative Cluster Development shall be protected by covenants running with the land and shall be conveyed by the property owners to a homeowners association so as to guarantee the following:

- a) The continued use of land for the intended purposes.
- b) Continuity of proper maintenance for those portions of the development requiring maintenance.
- c) The availability of funds required for such maintenance.
- d) Recovery for loss sustained as a result of casualty, condemnation or otherwise.
- e) The applicant for the construction of the Innovative Cluster shall remain a member of the association until the last unit is sold.

M) A Site Plan for the entire tract at a scale of 1 inch = 100 ft. and the developed portion at 1 inch = 50 ft. shall be prepared by either a professional land planner, registered architect, registered professional engineer, or registered land surveyor. The Site Plan shall be submitted in accordance with the subdivision Regulations for the Town of Newton and the location of parks and open space shall be shown on the plan.

N) The review of any Innovative Cluster Development conducted by the Planning Board under these regulations shall ascertain that adequate provisions have been made by the owner or his authorized agent for the following:

- a) Traffic circulation and access including adequacy of adjacent streets, entrances and exits, traffic flow, sight distances, curb cuts, turning lanes, and existing or recommended traffic signalization.
- b) Pedestrian safety and access.
- c) Off-street parking and loading.
- d) Emergency vehicle access.
- e) Fire protection as it applies to the proximity of buildings to one another and to the existence of firefighting water sources.
- f) Storm water drainage based upon a minimum of a ten (10) year storm frequency, utilizing on-site absorption and to the existence of firefighting water sources.

O) Recreational facilities.

P) Water supply and waste water disposal approved by a civil or sanitary engineer registered in New Hampshire.

2. Creation of an Innovative Cluster Ordinance as follows.

3. The purposes of Innovative Cluster Development are to preserve the natural beauty of the Town of Newton and to encourage less intensive residential development by encouraging one and two bedroom townhouse units to establish living areas within the Town that provides a balance of community needs, such as a diversity of housing opportunities, adequate recreation and open space areas, easy accessibility to those and other community facilities, and pedestrian and vehicular safety, to provide for an efficient use of land, streets and utility systems and to stimulate new approaches to land and community development.

A) An Innovative Cluster Development shall have a 100 foot landscaped buffer to provide an adequate division of transition from abutting land users and existing town roads. When this buffer is not natural a screening plan must be submitted and approved by the Planning Board in accordance with Section (V) sub. (B) and sub. (C), said plan must be fully implemented before the issuance of occupancy permits.

B) The construction standards of Cluster Townhouse dwellings permitted in an Innovative Cluster Development must conform to existing Town and State building codes for single family housing and at least 50% of the total Cluster Development, (wet lands and all lands with slopes greater than 25% are to be excluded from this computation) and covenanted as "open space" which cannot be improved in any manner from its natural state.

C) The tract of single or consolidated ownership at the time of application shall be at least 50 acres. The total number of townhouses allowed in an Innovative Cluster would be equivalent to the total square footage of the parcel less wetlands and less slopes greater than 25° divided by 40,000, if all units in the Innovative Cluster are one and two bedrooms or divided by 60,000, if any unit proposed within the cluster exceeds two bedrooms. Before the Planning Board makes a determination on the total number of units, a survey by a qualified soils engineer indicating the wetlands and any slopes greater than 25°, must be submitted by the developer.

D) All multi-townhouse developments cannot have a continuous ridge line which extends beyond one townhouse. This guarantees greater privacy in ownership and aesthetic awareness.

E) The residential density within the Cluster Development shall not exceed six dwellings per cluster unit.

F) The development may be served by common water wells and septic systems which must meet all Town and State laws, rules, regulations and codes. Leaching observation wells must also be in place before issuance of any occupancy permits.

G) All parking within an Innovative Cluster Development must be paved and provide a minimum of two parking spaces per single dwelling unit.

H) Each single dwelling unit shall have a dug foundation enclosed in concrete which must be installed under the entire townhouse. There must be at least one garage for each dwelling unit located either in the foundation or detached but within 150'.

I) Emergency vehicle access must be provided to all structures within the Innovative Cluster Development.

These funds to be used at the Planning Board's discretion should for any reason the desired affect of the screening plan be in jeopardy.

#### EXAMPLE

W) Mr. Doe owns a parcel of land in Newton. There is a total of 52 acres in this parcel of which a soil's study by a qualified person or engineer indicated that 17 acres were considered wetlands. Using this example, Mr. Doe qualifies for the Innovative Cluster Zoning with two acres to spare. If Mr. Doe elects to build 1 and 2 bedroom units exclusively, the units allowed would be 52 acres less 17 acres which qualifies 35 acres for the calculation.

35 acres x 43,560 = 1,524,600 sq. ft.

therefore,

$$\frac{1,524,600}{40,000} = 38.1 \text{ which would round off to 38 units}$$

#### THE PLANNING BOARD DISAPPROVES OF THIS AMENDMENT.

5. On petition of 10 or more legal voters, to see if the Town will vote to adopt the provisions of the Municipal Budget Law (RSA Chapter 32). 12 members to be appointed by the Moderator for fiscal 1987. Thereafter, Members are to be elected at the Annual Town Meeting by written ballot for three year terms, with the exception of Fiscal Year 1988, where terms will be staggered. Four members elected for 3 years, four members elected for 2 years and four members elected for 1 year terms. One member of the Board of Selectmen, designated by the Board shall sit on the Budget Committee as a voting member.

6. To hear reports of Town Officers and pass any vote relating thereto.

7. To see if the Town will vote to authorize the Board of Selectmen to borrow money in anticipation of taxes.

8. To see if the Town will vote to authorize the Selectmen to transfer tax liens and convey property acquired by Tax Collector's Deed by public auction (or advertised sealed bid) or in such manner as determined by the Selectmen as justice may require. RSA 80:42

9. To see if the Town will vote to authorize the Selectmen to sell any property of the Town, excluding Real Estate, not used for public purposes by advertised sealed bids.

10. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95-B.

11. To see if the Town will vote to grant a discount of 2% on property taxes if paid within fifteen (15) days of the date of tax bill.

12. To see if the Town will vote to accept and expend State of New Hampshire Highway Block Grant Aid in the sum of \$38,576.78 for the maintenance, construction and reconstruction of Class IV and Class V Highways.

13. To see if the Town will vote to adopt the provisions of RSA 72:1-c which authorize any Town or City to elect not to assess, levy and collect a resident tax.

14. On petition of 10 or more legal voters, to see if the Town will vote to dissolve the Industrial Development Commission established by vote at the 1969 Town Meeting and authorize the Planning Board to appoint, at their discretion, upon completion of a Capital Improvement Program, an Advisory Light Industrial/Commercial Development Committee consisting of five members.

15. On a petition of ten or more legal voters, are you in favor of the adoption of the following Amendment for the Town of Newton Ordinances as follows:

- 1. To make all positions on the Planning Board elected positions
- 2. The six full members and three alternates will be elected at Town Meeting each March in such a way that two full members. and one alternate come to election each year giving full members three year terms and alternate members three year terms.
- 3. For the first year voting only, all positions will be up for election. For this first year only candidates gathering sufficient votes to place in the top six will serve the following terms as full members.

<u>Voting Position</u>	<u>Term</u>
1	Three Years
2	Three Years
3	Two Years
4	Two Years
5	One Year
6	One Year

Candidates finishing in positions seven, eight, and nine will serve the following terms as alternates.

<u>Voting Position</u>	<u>Term</u>
7	Three Years
8	Two Years
9	One Year

- 4. In the event of a full member's inability to complete his/her term, the incompleted term will be served by the alternate with the most seniority. In all decisions involving seniority the chairman of the Planning Board has final say. The chairman should as a matter of record inform new alternates and the full members in general as to the alternate Seniority Order.
- 5. In the event of an alternate member's inability to complete his/her term, that alternate's position will remain vacant until such time as that particular term would have been completed.

16. To see if the Town would vote to raise and appropriate the sum of \$18,000.00 to hire an additional full-time Police Officer including all fringe benefits said employee would regularly be entitled to pursuant to the Town's current Personnel Policy.

17. To see if the Town would vote to raise the sum of \$2,500.00 and to withdraw the sum of \$10,000.00 from the Police Capital Reserve Fund, and to appropriate a total amount of \$12,500.00 for the purpose of purchasing a new police cruiser.

18. To see if the Town will compensate Fire Department personnel for closing their business during the daytime to answer emergency calls at a rate of \$20.00 per hour. This article to become effective as of January 1, 1987.
19. To see if the Town will vote to raise and appropriate \$4,000.00 to replace the three front overhead doors at Central Fire Station. All work per Selectmen's Bid Policy.
20. To see if the Town will vote to raise and appropriate \$2,800.00 to have the interior of Central Fire Station painted. All work per Selectmen's Bid Policy.
21. To see if the Town will vote to raise and appropriate \$2,600.00 to replace the heating system at Central Fire Station, and to bring the furnace room up to code. All work per Selectmen's Bid Policy.
22. To see if the Town will vote to raise and appropriate the sum of \$2,600.00 to repair and paint the hallway, refinish the stairs, and install an emergency light system on the second floor of the Gale Library.
23. On a petition of 10 or more legal voters, to see if the Town will vote to raise and appropriate the sum not to exceed \$5,000.00 to repair and expand the building at the dump, to allow room for a stove and a chemical toilet.
24. To see if the Town will vote to authorize the Planning Board to prepare a Capital Improvements Program per RSA 674:5-8, and raise and appropriate a sum not to exceed \$1,800.00 for assistance in this preparation.
25. To see if the Town will vote to instruct the Moderator to appoint three citizens to serve on a special unpaid committee to be known as the Regional Refuse Disposal Planning Committee for the purpose of studying the advisability of establishing a Regional Refuse Disposal District and drawing up a proposed agreement therefore as authorized by RSA 53:B.
26. To see if the Town will raise and appropriate the sum of \$5,404.00 for the purpose of meeting the expense of the Regional Refuse Disposal Planning Committee established in Article 25.
27. To see if the Town will vote to raise, appropriate and authorize the Board of Selectmen to expend up to \$1,500.00 for sampling and analysis of Country Pond in conjunction with the Town of Kingston, the State and the EPA in order to insure the safety of our residents who use the pond for recreational uses and draw their drinking water (indirectly) from the pond.
28. To see if the Town will vote to raise and appropriate the sum of \$3,300.00 to pay for the minimum "Circuit Rider" program from the Rockingham Planning Commission to assist the Planning Board in the updating of Subdivision Regulations and Non-Residential Site Plans plus meet with developers to discuss their plans and ensure accurate and complete applications.
29. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 for the purchase of 100 chairs and 3 movable accoustical partitions for the up-stairs Town Hall Meeting Room.

30. To see if the Town of Newton will vote to raise and appropriate the sum of \$500.00 to contribute to a local (or regional if appropriate) Household Hazardous Waste Collection Program. This program will enhance the proper disposal of hazardous household products such as paint thinners, solvents, pesticides and the like.
31. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 to be placed in a Capital Reserve Fund to be used for the future purchase of fire apparatus and equipment.
32. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be placed in a Capital Reserve Fund to be used for future purchase of police vehicles and equipment for said vehicles.
33. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 to be placed in a Capital Reserve Fund for future Town Buildings and/or improvements to Town Buildings with the exception of the Library.
34. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to be placed in a Capital Reserve Fund to serve as a 50/50 match for the purchase and protection of open space land as proposed by the Trust for New Hampshire Lands in accordance with New Hampshire State Legislation.
35. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be placed in a Capital Reserve Fund to be used for a Hydrological Study and possible Closure Plan for our former Landfill (located at the site of our current Transfer Station).
36. To see if the Town will vote to convey to Mr. Warren Stocker a parcel of land currently known as a Right-Of-Way off Highland Street, found on Tax Map 5, Block 4, Lot 22A. Land consists of approximately 15,000 sq. ft. In exchange thereof, Mr. Stocker agrees to convey to the Town a parcel of land consisting of approximately 1.75 acres directly behind and contiguous to Highland Cemetery. Costs for surveying and deed preparations, not to exceed \$1,500.00, will be borne by the Town. In addition, the Town agrees to convey to Mr. Warren Stocker, three family plots of four graves each.
37. To see if the Town will vote to accept a certain parcel of land situated at the end of Bartlett Street, being the southeastern portion of property of Charles Stronach. In exchange, thereof, the Town shall convey to Charles Stronach an equal square footage of land adjacent to said property located at the northwesterly side of said property on terms acceptable to both the Conservation Commission and the Board of Selectmen.
38. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to assist the elderly for a bus trip, open to all residents of Newton.
39. To see if the Town will vote to raise, appropriate, and authorize the Industrial and Commercial Development Commission to utilize up to \$5,000.00 for consultant fees, studies, evaluations and other expenditures for the purpose of a cogent and unique Light Industrial and Commercial Development Program for the Town.
40. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for Microfilming Town Documents and Records.

41. To see if the Town will vote to raise and appropriate the sum of \$5,100.00 for membership in the Family Mediation Program of Southern Rockingham County.

42. On a petition of 10 or more legal voters, to see if the Town will vote to raise and appropriate the sum of \$1,000.00 to defray a portion of the cost of service rendered by the Area Homemaker Home Health Aide Service, Inc., a non-profit organization.

43. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the support of the Vic Geary Center.

44. To see if the Town will vote to raise and appropriate the sum of \$3,852.00 for the support of the work of the Center For Life Management.

45. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for A SAFE PLACE/Seacoast Task Force on Family Violence, a private, non-profit organization which provides emergency shelter and support services for battered women and their children, and serves residents of the Town of Newton.

46. To see if the Town will vote to raise and appropriate the sum of \$ 791,080.50 to defray Town charges for the ensuing year, including all charges as shown in the Town Budget as posted with the Town Warrant.

47. To see if the Town will vote to authorize the Board of Selectmen and the Health Officer to enact the following Health Ordinance, No. SW003 - "SOLID WASTE/LITTER CONTAINERS".

All commercial establishments selling immediately consumable items must have available containers for depositing of trash at the point of use.

Consumable material includes candy, soda, other food products, auto additives.

Point of use - outside of store adjacent to pumps.

Owners/operators of the commercial establishment are responsible for maintaining the receptacle.

Failure to install within 30 days of effective date - \$10 fine.

Failure to install first fine and notice - \$10/week.

Failure to maintain receptacle: 1st notice - warning  
2nd notice - \$10 fine  
Subsequent notice - \$20 each

48. To see if the Town will vote to authorize the Board of Selectmen and the Health Officer to enact the following Health Ordinance, No. SW004 - "SOLID WASTE/DUMPSTERS".

All dumpsters Commercial, Industrial or Residential must register annually with the Board of Health on a form available at the Selectmen's Office.

A plot plan must accompany this application showing location of dumpsters on the property.

These dumpsters must be available for inspection by the Board of Health upon request.

No hauler may service any dumpster within Newton that is not registered.

The property owner/operator on which the dumpster is located must maintain the unit and area around the unit.

No liquids, hazardous waste, or dangerous materials are allowed in the dumpsters (dangerous, corrosive, ignitable, poisonous).

Failure to register a dumpster within 30 days of the effective date of this notice or within 15 days of its expiration - \$25 fine.

Failure to maintain dumpster and surrounding area in proper condition:

1st offense - warning.

2nd offense - \$15 fine.

Subsequent offense - \$25 fine.

49. To see if the Town will vote to authorize the Board of Selectmen and the Health Officer to enact the following Health Ordinance, No. SS005 - "SEPTIC SYSTEMS - Additives".

No person within the Town of Newton will knowingly pour down into their septic system any drain cleaner, unclogger, odor eliminator, sludge reducer, or any other septic additive that contains measurable quantities of the EPA cited "Priority Pollutant". (For a list please request from the Board of Health).

No commercial establishment in Newton shall sell any septic additive or drain cleaner containing measurable quantities of any "Priority Pollutant" organic chemical.

Failure to follow this ordinance:

Commercial Establishment: 1st offense - \$10 fine

2nd offense - \$25 fine

Subsequent offense - \$50 fine

Property Owner:

1st offense - warning

2nd offense - \$10 fine

Subsequent offense - \$25 fine

50. To see if the Town will vote to authorize the Board of Selectmen and the Health Officer to enact the following Health Ordinance, NO. HE006 - "HEALTH EMERGENCY RENTAL PROPERTY".

All rental (residential) property within the Town of Newton where a property owner or his representative does not live on the premises must have on file with the Board of Health a phone number where the property owner or his authorized representative may be reached in an emergency on a 24 hour basis, 7 days a week, 365 days a year.

An emergency for health reasons concerns septic systems, well water, communicable disease or other health related matters requiring immediate attention.

Property owners have one month to notify the Health Board in writing from the effective date of this ordinance.

Failure to do so - \$25 fine.

Any change of number must be reported to the Board of Health in writing within 7 days of the change.

Failure to do so - \$25 fine.

Any new rental property must have this number on file before an occupancy permit is granted.

51. To see if the Town will vote to authorize the Board of Selectmen and the Health Officer to enact the following Health Ordinance, No. WW007 - "RENTAL PROPERTY WATER TEST".

Any rental (Residential or Commercial) supplying water to renters must have the well tested at least once a year for the following parameters:

Total coliform, nitrate-N, pH, chloride, sodium and flouride.

Any parameters found to be above the EPA Maximum Contaminant Levels (MCL) must be reported to the renters and the Town Board of Health within 7 days of receiving the laboratory report.

All wells must be tested within 30 days of the effective date of this ordinance and results submitted to the Board of Health within 60 days. Thereafter, testing and submittal of data must be done annually.

All new rental units will be tested before occupancy permits are granted.

Failure to comply: 1st offense - warning  
2nd offense - Town will take sample & charge cost to the owner.

52. To see if the Town will vote to authorize the Board of Selectmen and the Health Officer to enact the following Health Ordinance, No. SS009 - "SEPTIC SYSTEMS TEST PIT".

Any individual proposing to subdivide land or in preparation for designing a septic system on previously subdivided land, must notify the Board of Health 72 hours prior to the digging of a test pit and perc test. All data from such tests must be submitted to the Board of Health for review.

For septic systems with currently approved test pits and percolation data this must be submitted at the time of septic system approval (by the Town).

Fee schedule - See TF001.

53. To see if the Town will vote to authorize the Board of Selectmen and the Health Officer to enact the following Health Ordinance, No. SS010 - "SEPTIC SYSTEM INSTALLATION".

All septic systems installed within the Town of Newton must be available for inspection during installation and prior to burial.

The property owner is responsible to inform the Board of Health when construction is to begin and who is responsible for construction. The property owner is also responsible to inform the Board of Health when the system is complete prior to burial. The Board of Health has 72 hours from this notice to inspect the system before the system can be buried.

This ordinance does not alleviate the owner from any STATE requirement.

54. To see if the Town will vote to authorize the Board of Selectmen and the Health Officer to enact the following Health Ordinance, No. HE011 - "OCCUPANCY PERMIT HEALTH".

All residential facilities prior to occupation must have an official occupancy permit signed by the Health Officer (and other appropriate Town Officials).

No dwelling shall be occupied without a legal occupancy permit (permanent or temporary).

Any dwelling changing from its current status must obtain an occupancy permit.

Commercial/Industrial - Residential

One family - Two family

One or two family - Multi-family

Nonresidential Building - Residential Building

To obtain an occupancy permit, the following must be presented:

State and Town (if applicable) approved septic system design approval.

State and Town (if applicable) septic system operation approval.

Review of septic system if installed prior to State or Town Regulations.

Well analysis for the following parameters as a minimum:

pH, total coliform, Nitrate-N, chloride and flouride.

55. To see if the Town will vote to authorize the Board of Selectmen and the Health Officer to enact the following Health Ordinance, No. SS012 - "SEPTIC SYSTEM WELL".

All portions of a proposed septic system msut be designed to be at least 100 ft. from all wells on the property and adjacent properties.

Any waiver from this regulation must be in writing at the time of the septic system design for approval.

56. To see if the Town will vote to aprove the following changes in the Town's Solid Waste Management Planning Committee:

- Change:
- I b) Delete the word "Chairman"
  - II b) 1. Delete "Board of Health"  
add "INDUSTRIAL/COMMERCIAL DEVELOPMENT COMMISSION"
  - II c) Delete "shall be a member ex-officio"  
and replace with "shall serve as Chairman"  
  
Delete "exclusive of voting and the  
ability to hold an official position"  
and replace with "and shall only vote to  
break a tie"
  - III a) Delete "with the exception of the SRCSWMD  
representative having none"

To change all references to the S.R.C.S.W.M.D. to SRSWD

57. To see if the Town will revoke its Warrant Article #45 passed by the 1986 Town Meeting which stated as follows:

"On a motion by Mr. Fox, it was voted to establish that all elected and appointed Town Personnel receiving compensation have satisfied all debts, taxes and fees to the Town before their installation to Town Office".

58. On a petition of 10 or more legal voters, to see if the Town will vote to instruct the Town's Representatives to the General Court to take all necessary measures to insure that no low level radioactive waste from the Seabrook Nuclear Plant shall be stored

or disposed of within this Town of Newton unless and until the proposed site of the proposed storage or disposal has been approved by the voters of the Town at the annual Town Meeting by written ballot.

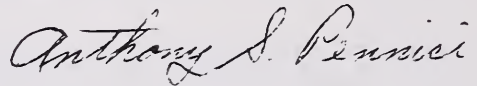

59. To see if the Town will vote to raise and appropriate the sum of \$46,400.00 to install culverts and heighten the portion of Wilder's Grove Road leading to Hoyt's Island. This appropriation subject to receiving \$23,200.00 of the total \$46,400.00 from State and/or Federal sources. In the event State or Federal monies are not obtained, \$15,000.00 will go into a Capital Reserve Fund for this purpose.

60. To transact any other business that may legally come before the Meeting.

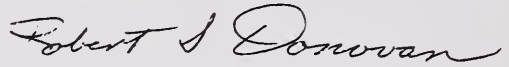

Given under our hands and seal this 9th day of February in the year of our Lord nineteen hundred and eighty-seven.

Kenneth L. Bowers

Anthony S. Pennisi

Robert S. Donovan  
Board of Selectmen  
Newton, New Hampshire

Trustee of the Gale Library for three years	
Frances S. Mears	635
Cemetery Trustee for three years	
William H. Standing, Jr.	641

**Article 2.** Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

To amend Section XIII General Provision Zoning Ordinance as proposed by the Newton Planning Board:

No junkyard or place for the storage of discarded machinery, vehicles,, or other scrap materials shall be maintained in any Residential Zone. In Commercial or Industrial Zones junkyards may be allowed only after Planning Board Site Plan Approval. Licensing approval shall be in compliance with RSA 236-111 thru 129 inclusive related thereto.

YES 513 NO 189

Article 3. Are you in favor of the adoption of Amendment No. 2 as proposed by petition of the voters for this town?

Upon petition of 25 or more registered voters, are you in favor of amending Section XII, Industrial Zone area regulations, Article 2; of Newton, New Hampshire Zoning Ordinance to:

- 2. All site plans shall be submitted to the Planning Board and to the Industrial Development Commission. Commencement of any construction shall be subject to local, State and Federal Regulations and shall be contingent upon review and final approval of the site plan by both the Planning Board and the Industrial Development Commission.

The Newton Planning Board disapproves of this amendment.

YES        290                NO        379

Article 4. Are you in favor of the adoption of Amendment No. 3 as proposed by petition of the voters for this town?

Upon petition of 25 or more legal voters, are you in favor to change the zoning classification from Residential "A", presently a two family, to Developer's zoning of the property currently known as the Madore property. Deed description as follows:

Northerly, Easterly and Westerly by land of Oscar F. Hoyt, now or formerly; Southerly by the highway leading from Newton Junction to Newton Village, and known as Highland Street. Containing three and one-half (3½) acres, more or less.

The Newton Planning Board disapproves of this amendment.

YES        165                NO        510

Article 5. Are you in favor of the adoption of Amendment No. 4 as proposed by petition of the voters for this town?

Upon petition of 25 or more legal voters, are you in favor of rezoning a tract of land 11.13 acres bordered by Bartlett Street and the B & M Railroad presently owned by Mrs. Laura Day from Industrial to Residential A?

The Newton Planning Board approves of this amendment.

YES        487                NO        186

Article 6. Are you in favor of the adoption of Amendment No. 5 as proposed by petition of the voters for this town?

Upon a petition of 25 or more legal voters, are you in favor of adding the following to Section XI, Industrial Zone Uses, of Newton, New Hampshire Zoning Ordinance?

The following are uses allowed in an Industrial Zone with Planning Board Site Plan approval:

- 1) Business and professional offices and data processing facilities.
- 2) Research laboratories and related facilities for research, development and testing including prototype production facilities or the related assembly of high technology equipment or components, but excluding biological or

chemical laboratories, accessory production facilities shall not exceed forty (40) percent of the gross floor area of such structures.

- 3) Heavy equipment and heavy distribution and sales including the repair and maintenance of said equipment.
- 4) Temporary structures provided the permit for such use shall be limited to a term not to exceed ninety (90) days and a bond is posted to ensure removal.
- 5) Lumber yards, lumber and contractor storage and sales.
- 6) Hospitals including psychiatric hospitals provided that said hospitals shall have received a certificate of need from the State of New Hampshire but excluding psychiatric hospitals for the care and treatment of the criminally insane.
- 7) Any commercial use as defined under Section IX, Commercial Zone Uses, of Newton's Zoning Ordinance.
- 8) Any customary accessory uses incidental to above, including parking and parking structures, support and maintenance shops, concessions and services located within a principal building with no exterior evidence of such concessions and services, and recreational facilities for the use of employees in Industrial Districts.

Any other Industrial or Commercial Use, not specifically defined in items one thru 8 (1-8) above, shall be allowed only after Planning Board Site Plan approval, then be placed on the official Town Ballot for town vote. Voter approval is required.

Where an Industrial Zone Use is to be resolved by both Planning Board Site Plan approval and Town vote, abutters of zone have the right to file a "Protest Petition" as defined in RSA 675:5. When "Protest Petition" is filed, Town votes for approval must exceed 2/3 of total cast.

The Newton Planning Board approves of this amendment.

YES	499	NO	173
-----	-----	----	-----

**Article 7.** On petition of ten or more legal voters, to see if the Town will vote to adopt the provisions of RSA 72:37 for the exemption for the blind from property tax? This statute provides that every inhabitant who is legally blind shall be exempt each year from the property tax on a residence to the value of \$15,000.

YES	512	NO	159
-----	-----	----	-----

Following the counting of the ballots, the meeting was adjourned to Wednesday, March 12, 1986 at 7:00 P.M. at the Sanborn Regional Middle School.

The meeting was called to order by the Moderator at 7:00 P.M. Results of the voting on Tuesday were read.

A moment of silence was observed in memory of Warren Ames, a former School Board Member and Representative to the General Court.

**Article 8.** To see if the Town will vote to approve the formation of a Solid Waste Management Planning Committee to fulfill the requirements and responsibilities set forth in N.H. RSA 149-M:13 and N.H. RSA 149-M:17.

I. Said Committee's responsibilities shall be to:

- a) Select a name for the committee.
- b) Select committee officials (i.e. chairman, vice-chairman, secretary, treasurer, etc.).
- c) Set up a guideline to meet the requirements of N.H. RSA 149-M:13 and N.H. RSA 149-M:17 specifically and N.H. RSA 149-M in general.
- d) Prepare and submit a budget to implement guideline articles.

II. Said Committee's membership shall consist of 11 members, who must be residents of the Town of Newton. Members are to be selected by the following procedures:

- a) 3 members are to be appointed by the Newton Selectmen in the following manner:
  1. Initially - three members appointed from the town, one to serve a one year appointment, one to serve a two year appointment and one to serve a three year appointment.
  2. When an initial term expires, it shall be replaced with an individual and this term shall expire three years from appointment date.
- b) 4 member positions shall be filled by one representative of each of the following Boards:
  1. Newton Conservation Commission  
Newton Board of Health  
Newton Planning Board  
Newton Selectmen
  2. The above mentioned Boards may select, change or rotate their representative at any time and in any manner.
  3. The representatives of the above mentioned Boards shall not be allowed to serve as Chairman, Vice-chairman, Secretary, Treasurer, or any other official position of said committee.
- c) The town's official representative to the Southeastern Rockingham County Solid/Sanitary Waste Management District (S.R.C.S.S.W.M.D.) shall be a member ex-officio of said committee. The district representative shall be granted all committee membership rights exclusive of voting and the ability to hold an official position.

III. Said Committee's system of voting shall be as follows:

- a) Each member shall have one equal vote with the exception of the S.R.C.S.S.W.M.D. representative having none.
- b) A quorum of at least five voting members must be present to vote on any item.
- c) An item shall be considered passed, adopted, or approved if greater than fifty percent of the present voting members approve the item.

Moved and seconded.

It was voted to amend the Section II: membership shall consist of 7 members and not 11 as printed.

The article as amended carried by voice vote.

Article 9. To hear reports of Town Officers and pass any vote relating thereto.

Moved and seconded. Carried by voice vote.

Article 10. To see if the Town will vote to authorize the Board of Selectmen to borrow money in anticipation of taxes.

Moved and seconded. Carried by voice vote.

Article 11. To see if the Town will vote to authorize the Selectmen to transfer tax liens and convey property acquired by Tax Collector's deed by public auction (or advertised sealed bid) or in such manner as determined by the Selectmen as justice may require. RSA 80:42

Moved and seconded.

Mr. John Marden questioned why town owned property is not being sold and put back on the tax rolls. The Selectmen are waiting for the Master Plan and hope to sell it for a fair market price.

The article carried by voice vote.

Article 12. To see if the Town will vote to authorize the Selectmen to sell any property of the Town, excluding Real Estate, not used for public purposes by advertised sealed bids.

Moved and seconded. Carried by voice vote.

Article 13. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95-B.

Moved and seconded. Carried by voice vote.

Article 14. To see if the Town will vote to appropriate and authorize the withdrawal from Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as setoffs against budgeted appropriations for the following specific purposes and in amounts indicated herewith or take any other action hereon:

Appropriation	Amount
Town Hall and Other Town Buildings	\$ 7,150.00
Fire Department	7,150.00
Highway Maintenance: Summer	3,600.00
Highway Maintenance: Winter	3,600.00
Total	<u>\$21,500.00</u>

Moved and seconded. Carried by voice vote.

Article 15. To see if the Town will vote to grant a discount of 2% on property taxes if paid within fifteen (15) days of the date of tax bill.

Moved and seconded. Carried by voice vote.

Article 16. To see if the Town will vote a twenty-five cent (\$.25) per hour increase for all Town employees as included in the printed budget, effective March 1, 1986.

Moved and seconded. Carried by voice vote.

**Article 39.** To see if the Town will vote to raise, appropriate and authorize the Selectmen to expend up to \$2,000.00 for consultant fees to develop a Matrix System of wages & job descriptions for Town employees.

Moved and seconded.

Police Chief Barrett was given permission to speak on this article.

This study does not include elected officials and is intended to be completed this year.

Carried by voice vote.

**Article 17.** To see if the Town will vote to raise and appropriate the sum of \$5,715.00 for the following annual salary increases:

Auditors (2)	from	\$ 100.00	to	\$ 250.00
Selectmen (3)		1,050.00		2,000.00
Tax Collector		3,675.00		4,300.00
Town Clerk		630.00		1,200.00
Treasurer		1,575.00		2,200.00
Health Officer		520.00		1,040.00
Trustee of Tr. Funds (1)		275.00		500.00

Moved and seconded.

It was voted to amend the article to strike out the word "annual".

The article as amended carried by voice vote.

**Article 34.** To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for membership in the Family Mediation Program of Southern Rockingham County.

Moved and seconded. Carried by voice vote.

**Article 36.** To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the purpose of defraying costs incurred by A SAFE PLACE / Seacoast Task Force on Family Violence, a private, non-profit organization, in providing emergency shelter and support services for battered women and their children to the residents of Newton.

Moved and seconded. Carried by voice vote.

**Article 18.** To see if the Town will vote to accept and expend State of New Hampshire Highway Block Grant Aid in the sum of \$33,306.06 for the maintenance, construction and reconstruction of Class IV and Class V highways.

Moved and seconded. Carried by voice vote.

**Article 19.** To see if the Town will vote to raise and appropriate a sum not to exceed \$4,500.00 for the construction of a fire pond and dry hydrant at 74 Pond Street.

Moved and seconded.

It was voted to amend the article to add, "all work will require a minimum of 3 sealed bids".

The article was approved as amended by voice vote.

**Article 20.** To see if the Town will vote to raise and appropriate the sum of \$11,500.00 to be used for renovations to the Town Hall Auditorium.

Moved and seconded. Carried by voice vote.

Article 21. To see if the Town will vote to raise and appropriate the sum of \$750.00 to pave the driveway to the new addition of the Central Fire Station.

Moved and seconded. Carried by voice vote.

Article 22. To see if the Town will vote to raise and appropriate the sum of \$800.00 to paint the trim on the Central Fire Station.

Moved and seconded. Carried by voice vote.

Article 23. To see if the Town will vote to raise and appropriate the sum of \$4,650.00 to renovate part of the second floor of the Gale Library as a Children's Room, and to do necessary chimney repairs.

Moved and seconded.

The amendment to raise and appropriate the sum of \$9,650.00 for additions, and renovations to the library was defeated.

The original motion was defeated by hand vote.

YES 43 NO 66

Article 24. To see if the Town will vote to raise and appropriate the sum of \$2,100.00 for the purpose of having Rockingham Planning Commission, in conjunction with the Town Planning Board, develop a Capital Improvements Plan for the Town of Newton.

Moved and seconded.

It was moved and seconded to include the Master Plan Committee and the Finance Committee.

It was voted on a motion by Mr. Ralph Fellows, to table this article until the town receives the Master Plan.

Article 35. To see if the Town will vote to raise and appropriate the sum of \$1,409.00 to assist the Rockingham County Community Action Program.

Moved and seconded. Carried by voice vote.

Article 25. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be placed in a Capital Reserve Fund to be used for the future purchase of Police vehicles and equipment for said vehicles.

Moved and seconded. Carried by voice vote.

Article 26. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 to be placed in a Capital Reserve Fund to be used for the future purchase of fire apparatus and equipment.

Moved and seconded. Carried by voice vote.

Article 27. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for the future addition to or renovation of the Gale Library.

Moved and seconded.

It was voted to amend the article to add, "to be placed in a Capital Reserve Fund".

A motion was made and seconded to amend the article, "to raise and appropriate the sum of \$4,650.00 to renovate part of the second floor of the Gale Library as a Children's Room and to do necessary chimney repairs".

The motion and second were withdrawn.

The original motion as amended was carried by voice vote.

**Article 28.** To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to be placed in a Capital Reserve Fund to be used for the construction of "Future Town Buildings".

Moved and seconded. Defeated by voice vote.

**Article 29.** To see if the Town will vote to pay the Deputy Fire Chief a salary of \$1,500.00.

Moved and seconded.

Fire Chief Davenport explained this would be in addition to his hourly pay.

Carried by voice vote.

**Article 30.** To see if the Town will vote to raise and appropriate the sum of \$3,868.00 as their share of the budgeted 1986 costs associated with the Southeastern Rockingham County Sanitary/Solid Waste Management District as required under N.H. RSA 149-M.

Moved and seconded. Carried by voice vote.

The meeting was adjourned until Thursday, March 13, 1986 at 7:00 P.M.

The meeting was called to order at 7:05 P.M.

It was voted by voice vote to reconsider Article 19 on the request of Fire Chief Davenport.

The motion was made and seconded to act on the amendment, to strike out the words "require a minimum of 3 sealed bids" and to add "to require sealed bids per the Selectmen's sealed bid policy".

The motion carried by voice vote.

**Article 31.** To see if the Town will vote to raise and appropriate the sum of \$1,500.00 to be used to sample and analyze water in Country Pond during the summer months of 1986. This monitoring is to occur per the recommendation of the State of N.H. Division of Public Health Service as cited in the Health Risk Assessment for Recreational Activities, Country Pond, New Hampshire.

Moved and seconded.

It was voted to amend the article, "to require sealed bids per the Selectmen's sealed bid policy".

It was voted to amend the amendment to add the words, "as long as the State of N.H. is not doing the analysis".

The article as amended carried by voice vote.

**Article 32.** To see if the Town will vote to authorize the Conservation Commission to expend up to \$4,500.00 of its Special Survey Account money accrued from the woodcutting program for the purpose of surveying the Town-owned Stronach property (so-called). All work will require a minimum of three (3) sealed bids.

Moved and seconded.

It was voted to amend the article to add, "will require sealed bids per the Selectmen's bid policy".

The article as amended was approved by voice vote.

**Article 33.** To see if the Town will vote to raise and appropriate the sum of \$3,420.20 for the support of the work of the Center for Life Management.

Moved and seconded. Carried by voice vote.

**Article 37.** It was voted to table this article until after we consider Article 38.

**Article 38.** To see if the Town will vote to raise and appropriate the sum of \$500.00 as a contribution for the expenses incurred by the Vic-Geary Center.

Moved and seconded. Carried by voice vote.

**Article 37.** On a petition of ten or more legal voters, to see if the Town will vote to raise and appropriate the sum of \$1,000.00 to keep the Vic-Geary Center open and to keep the hot noon meals and meals on wheels operating out of there. Due to changes this fall, The Vic-Geary Center is no longer self-supporting; and needs additional funds to keep it open. The site services the following towns: Plaistow, Atkinson, Hampstead, Newton, Kingston, Danville, and Sandown. Last year out of the Center, the Program provided 21,122 meals, 8,596 at the Center, and delivered 12,526 to the area's homebound. 284 area elderly from all 7 towns received meals and services. Over the year, from the Town of Newton that included 27 people going to the Center, and 20 receiving meals on wheels in their homes.

Moved and seconded. Defeated by voice vote.

**Article 40.** To see if the Town will vote to raise and appropriate the sum of \$646,463.59 to defray Town charges for the ensuing year, including all charges as shown in the Town Budget as posted with the Town Warrant.

Moved and seconded.

On a motion by Mr. Thomas Grogan, it was voted to amend the article that the total amount of \$55,000.00 in line item #59 can only be used as interest expense for tax anticipation notes and for nothing else.

The article as amended carried by voice vote.

**Article 41.** To see if the Town will vote to adopt the written Welfare Guidelines as proposed by the Board of Selectmen. Chapter 380 of the Law of 1985 requires the Town to adopt written Welfare Guidelines prior to April 1, 1986.

Moved and seconded. It was voted to table this article.

**Article 42.** On a petition of ten or more legal voters, to see if the Town will vote to designate Thornell Road a scenic road as provided under the State Law RSA 231:157 and RSA 231:158.

Moved and seconded. Carried by voice vote.

**Article 43.** To see if the Town will vote to accept all new streets and roads that have been completed, met all Town specifications and have been approved by the Road Agent.

Roads included are: Chongor Drive, Kerry Drive & Priscilla Lane.

Moved and seconded.

It was voted to amend the article to strike out Kerry Drive and Priscilla Lane.

The article as amended carried by voice vote.

**Article 44.** We, the undersigned, being legal voters in the Town of Newton do hereby petition the Board of Selectmen of that town to place the following article on the warrant for the 1986 annual meeting.

## HIGH LEVEL RADIOACTIVE WASTE WARRANT ARTICLE

To see if the town will vote to oppose the burial, storage, transportation and production of high level radioactive waste in the Town of Newton and State of New Hampshire; and to call upon Congress to conduct an independent investigation with full public participation into the feasibility and prudence of the U.S. Department of Energy's (DOE's) present plan to dispose of radioactive waste and into the DOE's competence to carry out such a plan.

— — — — —

The record of the vote on this article shall be transmitted to the Governor of New Hampshire, the New Hampshire Congressional Delegation, and to the President of the United States.

Moved and seconded. Carried by voice vote.

**Article 45.** To transact any other business that may legally come before the meeting.

On a motion by Mr. William Moisan, it was voted that the Town of Newton adopt the following Ordinance:

The Selectmen of the Town of Newton pursuant to the provisions of New Hampshire RSA 261:157A hereby waive the fee to be charged for a permit to register one motor vehicle in the Town of Newton owned by any person who is a resident of the Town of Newton who was captured and incarcerated for thirty (30) days or more while serving in a qualifying war or armed conflict as defined in RSA 72:28, IV and who was honorably discharged, provided that such person has provided to the Town Clerk of the Town of Newton satisfactory proof of these circumstances.

Mr. William Baker asked that everyone present give Mr. William Cook a rising vote of thanks for his 3 years service as Selectman.

Mr. Ralph Fellows made a motion and it was seconded that the Selectmen give the Master Plan Committee a deadline to have the Plan finished and presented to the Town.

It was voted to amend the motion that it be brought before the Town Meeting.

The motion as amended was defeated by hand vote.

YES 17 NO 38

Mr. Robert Fox made a motion and it was seconded that the Selectmen publish a bi-monthly newsletter summarizing the minutes of the Selectmen's and Town Committee Meetings. Distribution to occur through local commercial establishments.

The motion was defeated by voice vote.

Mr. Fox made a motion and it was seconded to establish that any proposed town warrant articles to raise and appropriate the sum of \$500.00 or more for non specific contractual services or purchases contain the statement, "all work will require a minimum of 2 sealed bids".

The Moderator declared the motion out of order and would not accept it.

Mr. James Marino asked that when the letters concerning Article 44 are sent, it be noted that the Article passed without opposition.

On a motion by Mr. Fox, it was voted to establish that all elected and appointed town personnel receiving compensation have satisfied all debts, taxes and fees to the Town before their installation to town office.

Meeting adjourned at 9:55 P.M.

March 26, 1986

A recount of the votes for Article 6 was held in accordance with N.H. RSA 40:4-C. The results were:

RECORDS OF SPECIAL TOWN MEETING, NOVEMBER 4, 1986

The meeting was called to order by the Moderator, Charlton J. Swasey, at 10:00 A.M. The polls were declared open to act on Articles 1, 2 and 3 by paper ballot;

Article 1. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town of Newton Zoning Ordinance as follows:

To amend the Zoning Map so that approximately 210 acres located in the southeast corner of the Town currently owned by the Estate of Richard E. Sargent, is changed from Industrial to Residential A? Described as follows: Map 014, Block 01, Lot 027 on the Assessors Maps of the Town of Newton.

YES	429	NO	454
-----	-----	----	-----

Article 2. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town of Newton Zoning Ordinance as follows:

To amend Section IV, Residential A Zone Area Regulations, Article 2, Lot Area, to increase the minimum area of lot from 40,000 square feet to 60,000 square feet?

And to amend Section VI, Residential B Zone Area Regulations, Article 2, Lot Area, to increase the minimum area of lot from 60,000 square feet to 90,000 square feet?

And to amend Section VIII, Residential C Zone Area Regulations, Article 1, Lot Area, b. to increase the minimum area of lot from 40,000 square feet to 60,000 square feet?

YES	586	NO	283
-----	-----	----	-----

Article 3. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town of Newton Zoning Ordinance as follows:

- 1) Amend Section II, Establishment of Zones, of the Newton Zoning Ordinance by changing the fifth zone from Industrial to Light Industrial/Commercial?
- 2) Amend the Zoning Map of the Newton Zoning Ordinance by changing the legend from Industrial to Light Industrial/Commercial?
- 3) Amend Section XI, Industrial Zone Uses, by deleting the the section in its entirety and replacing it with Section XI, Light Industrial/Commercial Zone? Uses, as follows:

## SECTION XI LIGHT INDUSTRIAL/COMMERCIAL ZONE USES

In this zone, no building or structure or premises shall be erected or altered and no building, structure or premises shall be used for any purpose except the following:

1. The Light Industrial/Commercial Zone(s) is intended for use and development of research laboratories, office buildings, selected light industries, warehousing, service or utility businesses.

Uses permitted subject to Site Plan Approval by the Planning Board.

- (a) Any Commercial uses defined in Section IX of Newton Zoning Ordinance not including Residential Use.
- (b) Research laboratories with incidental processing or pilot manufacture, but excluding Biological or Chemical Laboratories.
- (c) Office buildings.
- (d) Any lawful warehousing excluding warehousing of biological chemical materials; service or utility business not in conflict with the public health, safety, convenience or welfare or substantially detrimental or offensive to adjacent zones or destructive of property values, when permitted by the Planning Board.
- (e) Light manufacturing enterprises, except biological and chemical manufacturing; provided that such activities will not be offensive, injurious, or noxious because of gas, dirt, sewerage and refuse, vibration, smoke, fumes, dust odors, danger of fire or explosion or other characteristics detrimental or effensive that tend to reduce property values in the same or adjoining districts.
- (f) Any customary accessory uses incidental to above, including parking and parking structures, support and maintenance shops, concessions and services located within a principal building with no exterior evidence of such concessions and services, and recreational facilities for the use of employees in Industrial Districts.
- (g) Temporary structures provided the permit for such uses shall be limited to a term not to exceed ninety (90) days and a bond is posted to ensure removal.
- (h) The display of not more than two (2) signs pertaining to the permitted use with an area of not more than 32 square feet each and providing the sign is not oscillating, flashing or operated with moving parts and providing further that no sign shall be located closer than 50 feet from any Residential Zone. Provided however, that before granting a permit for any of the foregoing uses permitted in a Light Industrial/Commercial Zone, the Planning Board shall determine that all of the conditions and requirements of the Site Plan and all its pertaining ordinances are fully complied with.

2. Before any building permit may be granted by the Building Inspector for any buildings, structures or uses in a Light/Commercial Zone for which approval has been granted by the Planning Board as hereinabove provided, there shall first be submitted to the Building Inspector such detailed plans as shall evidence that such buildings, structures and uses conform to the following minimum standards for design, construction, use and operation, and such plans shall be certified as to compliance by the architects or engineers responsible for such plans.

3. The following items must be considered by the Site Plan Review process prior to Site Plan Approval.

- (a) Hazard or detrimental effect to adjacent property: No fire and explosion hazards shall exist as to produce dangerous exposure to adjacent property.
- (b) Odor: No objectionable odors shall be detectable beyond the property line.
- (c) Gases: No noxious, toxic or corrosive fumes or gases be emitted.
- (d) Dust and smoke: No observable dust or smoke shall be exhausted into the air.
- (e) Heat and Glare: No heat and glare shall be evident beyond the property line.
- (f) Exterior Lighting: No exterior lighting; other than property shielded street lighting, shall shine directly on adjacent properties or towards any street.
- (g) Noise: No inherent and recurrently generated noise shall be detectable beyond property line in excess of the average level of street and traffic noise generally heard at the time & point of observation, and no noise below such level shall be objectionable with respect to inter-mittance, beat frequency or shrillness. No external loud speakers shall be permitted.
- (h) Vibration: No inherent and recurrently generated vibration shall be perceptible at or beyond the property line.
- (i) Radiation: No dangerous radiation shall be detectable outside any structure.
- (j) Waste Disposal and Water Service: Water service and waste and refuse disposal methods shall comply with pertinent health regulations and shall be in accordance with the approved site plan.
- (k) Storage: Fuel, raw, partially processed, finished or other material, machinery, supplies and equipment, including company owned or operated vehicles, shall not be stored between the street line and the front line of structures on the subject lot or, if there be no structure, within forty (40) feet of the street line, and in no case shall be visible from the street.

4. No building permit shall be issued until final Site Plan Approval has been granted by the Planning Board.

### TOTAL

\$4,948,938.19

Respectfully submitted,

  
 Marion L. Kelly, Treasurer

## FINANCE COMMITTEE REPORT

The Finance Committee, having reviewed the Warrant Articles and Budgets, make the following recommendations:

### ARTICLES REVIEWED FOR 1987

- #18. FIRE DEPARTMENT PERSONNEL: We recommend passage of this Article as the amount of \$20.00 is a small compensation for protection and safety of the Town and it's people when a matter of minutes could save a life or a home.
- #19. FIRE DEPARTMENT - OVERHEAD DOORS: We recommend approval of this Article because the overhead doors are broken.
- #20. FIRE STATION - PAINT: No comment.
- #43. VIC GEARY CENTER: No comment.
- #26. REGIONAL REFUSE DISPOSAL PLANNING COMMITTEE: No input for the Committee to make a decision.
- #35. HYDROLOGICAL STUDY: We do not recommend this \$5,000.00 expenditure as the study is for the old dump, which has been closed for over five (5) years.
- #27. COUNTRY POND TESTING: Not recommended; a duplication of services.
- #45. A SAFE PLACE: Approved.
- #30. HOUSEHOLD HAZARDOUS WASTE: Approved.
- #28. "CIRCUIT RIDER": Approved.
- #24. CAPITAL IMPROVEMENT PROGRAM: Approved.
- #56. SOLID WASTE MANAGEMENT PLANNING COMMISSION: The Committee felt this should be cut. One member thought we should eliminate this Article altogether.
- #39. INDUSTRIAL AND COMMERCIAL DEVELOPMENT COMMISSION: We do not recommend this \$5,000.00 expenditure when the Town does not own enough zoned acreage to justify this expense.
- #42. AREA HOMEMAKER HOME HEALTH AIDE SERVICE, INC.: We approve and hope that services will be fully utilized.
- #41. FAMILY MEDIATION PROGRAM: Approved.
- #44. CENTER FOR LIFE MANAGEMENT: We do not approve. If this Article passes, it will become a line item in the Town Budget.
- #32. CAPITAL RESERVE FUND - POLICE CRUISER: Approved.
- #16. FULL-TIME POLICE OFFICER: We do not approve because the voters were not given the opportunity to vote on the third full-time officer, denying them of their right to approve or disapprove. We will not recommend the fourth Full-Time Officer.

- #17. POLICE CRUISER: Approved. The old cruiser should be sold.
- #23. SOLID WASTE DISPOSAL AREA. Approved. Heat and toilet, but not expansion to building at this time.
- #34. OPEN SPACE LAND: Not recommended.
- #36. CEMETERY LAND: Not recommended.
- #22. LIBRARY RENOVATIONS. We approve of this expenditure as it shows good judgement in prolonging the life of the building and it is in place of Capital Reserve Fund of \$5,000.00.
- #33. NEW AND RENOVATED TOWN BUILDINGS: We approve. Upgrading of any building such as the A. Marian Hatch Building could be taken from this fund.

## BUDGETS

### TOWN OFFICERS SALARY:

This should list elected officers only and Selectmen's Assistant, Deputies to elected and the Health Officer belong in Town Office Expenses.

NOTE: Health Officer is listed here and in his budget.

### TOWN OFFICE EXPENSES:

This is not a true picture as the Selectmen's Assistant and deputies are not included in this budget.

We recommend a fifty cent (\$0.50) an hour increase for all until the Matrix System is in place, not the \$1.50 included in the budget.

We are noting that equipment purchases for \$1,400.00 includes \$1,000.00 which Selectmen have already spent on a typewriter.

### FIRE DEPARTMENT:

We recommend a fifty cent (\$0.50) an hour increase until the Matrix System is in place. Budget should stand as corrected.

### POLICE DEPARTMENT:

We recommend a fifty cent (\$0.50) per hour increase for all personnel.

If the Budget and Warrant Articles all pass, this Budget will be over \$147,000.00.

### GENERAL ASSISTANCE:

We approve of this Budget.

### GENERAL GOVERNMENT BUILDINGS:

We recommend a fifty cent (\$0.50) increase for all personnel until the Matrix System is in place. The Budget should stand as corrected.

### HIGHWAY DEPARTMENT:

We recommend an increase of fifty cents (\$0.50) per hour for all personnel.

We approve of this Budget with adjustment of pay.

**CONSERVATION COMMISSION:**

Budget is approved.

**ANIMAL CONTROL OFFICER:**

Budget is approved.

**LIBRARY:**

We, wholeheartedly approve of this Budget.

**SOLID WASTE COMMITTEE:**

No recommendation.

**LEGAL:**

Approved.

**ELECTION & REGISTRATION:**

Approved.

**SOLID WASTE DISPOSAL AREA:**

We recommend a fifty cent (\$0.50) per hour increase until the Matrix System is in place.

The \$2,500.00 should be removed as it is also a separate Budget. We do not recommend the \$1,000.00 listed under "Other Expenses".

We approve of the Budget with the above deletions.

**PLANNING BOARD:**

Approved.

**HEALTH OFFICER:**

We recommend an hourly pay of \$6.00 per hour. We also recommend that this Budget be incorporated into Town Officers Expenses.

**MATRIX SYSTEM:**

We feel that a committee of three to be chosen by the Town Moderator to assist the development of the Matrix System is necessary and department heads should be excluded.

The Finance Committee feels it is time people were more aware of the Budgets, both Town and School, and should take a more active interest in the expenditures of their tax monies.

OFFICE OF THE SELECTMEN  
REPORT

The need for service within the Selectmen's Office during 1986 has increased substantially. Marion Kelly serves as Assistant to the Selectmen as well as Town Treasurer, and Nancy Wrigley serves as the Selectmen's Secretary/Clerk and Assistant Treasurer.

A "Wang OIS System" was recently donated to the Town of Newton by a local resident, Charles F. Rogers, President of CFR in Haverhill, Massachusetts. Currently it functions as a work processor, however, programs to allow it to operate as a computer are available. All phases of operation will eventually be coordinated through the system with work stations in the office of the Treasurer, Tax Collector, Clerk and Police Department.

Improvements to the Town Hall, a five year project, are now complete with renovations to the upper hall in place. The Selectmen thank the Eclipse Grange for the beautiful new clock which has been hung to the right of the stage.

The Town of Newton now belongs to the New Hampshire Municipal Association Property-Liability Insurance Trust, Inc. The "Pool", made up of 100 cities and towns in New Hampshire, is a trend of the times. Law suits nationwide have driven insurance premiums into the stratosphere. Local officials have to be creative and innovative in their approach to deal with this problem.

Approval by the voters for a study to develop a Matrix System of wages and job descriptions for all town employees, is near completion. The Selectmen have recognized a serious problem concerning inadequacies of the present wage scale in view of job responsibilities, dedication and other considerations.

One might ask, "HAS NEWTON CHANGED?".

Consider this:                      Expenditure Comparisons

	<u>1976</u>	<u>1986</u>
Police Department	\$46,987.00	\$ 99,670.00
Fire Department	31,358.00	38,535.00
Highways	32,264.00	109,745.00
Waste Disposal	9,941.00	74,760.00

These increases are a reflection of population growth, expanded state and federal requirements, and improvements in services. Planning for future growth is a necessary ingredient for the years ahead.

Respectfully submitted,  
Kenneth L. Bowers, Chairman  
Board of Selectmen

## REPORT OF THE CHIEF OF POLICE

1986 has been an incredibly busy year for your Police Department. The demand for service has again risen above our projections. Clearly, it appears the increase in the amount of service rendered has exceeded the current population growth. There are a number of reasons why this trend appears to manifest. However, I believe we provide the best possible service that we can given the limitations of the budget and other circumstances that are imposed upon us and that the people of the community feel comfortable in calling upon their Police Department for a myriad of tasks.

Unfortunately, the crime rate has risen again for the second consecutive year. I am sorry to have to report that in looking over the total part one crimes listed by the State of New Hampshire from the U.C.R. (Uniform Crime Reporting system) that our community of Newton reflects a crime index of over 100. What this means by comparison to you is our crime index is 48% greater than that of our neighbor Kingston. For example, during the calendar year 1985, Kingston's total part one crimes which are Homicide, Rape, Robbery, Aggravated and Simple Assault, Burglary, Larceny, Auto Theft and Arson was 58, while Newton's was 102.

I feel it is imperative that we address this problem collectively and therefore, I am asking for your help. As you know, we have had in the past a very active Neighborhood Watch Program and while we had the opportunity to speak to a number of the neighborhoods around Town, we still have not presented the program to all of our neighbors. At this time, I am requesting all of you to renew your commitment to the program and to remind you that it is only through being alert, observant and caring about our Town and our neighbors that the incident of crime can be reduced.

As you are aware, we received the Selectmen's approval to hire a third full time officer last year. However, you will see that we are asking for you to authorize us to hire an additional full time police officer. We desperately need this additional manpower to meet the increasing needs and demands of the community. There have been times over the last year when a legitimate call for service has been received by this Department and that call has gone unanswered for more than an hour because the officer on duty has been committed to a previous call or a reported crime. Also, because of the constant threat of civil litigation, the officers are required to respond and labor sometimes for hours ensuring that every minute detail has been attended to on calls previously consuming much less time. Finally, we have had crimes occur in our community which have required many hours of follow up and out of town investigation.

The Police cannot keep you, your homes and property safe without your continued help and cooperation.

## NEWTON FIRE DEPARTMENT

The second year as your Fire Chief has come to a close. We at the Fire Department continue to provide the assistance that is called for. Fire, drugs and alcohol can be fatal, causing loss of lives and property.

Being a fire fighter or rescue member in our community requires us to perform under physical and mental stress conditions. During 1986, there were about 3,000 hours of provided services to Newton. Fortunately, we have coverage 24 hours a day, 365 days a year.

Our daytime personnel is very small, AND NEEDS TO BE INCREASED. Most daytime people work in town or on the second or third shift. As the town continues to grow, we must grow too. It is now time for us to make these decisions and provide the proper coverage this town will need.

The communication system at the fire department has been in the process of being updated by Public Service of New Hampshire (P.S.N.H.). When completed, this location will be the emergency operation center for Newton. We will then have the capability to work with all town agencies should an emergency arise.

Sometime during the year, there will be an open house. I hope you will come by to see what your tax dollars provide.

Fire Chief

GALE LIBRARY  
TRUSTEE'S REPORT

1986 was a year of taking stock at the Gale Library. The Trustees have explored the physical plant to see if there are any immediate needs for maintenance or improvement. It is our hope that the building will accommodate all ages and groups in the Town of Newton.

We had anticipated renovating the "Trustees Room", an unused room upstairs at the library, as a childrens' room. Although we were not authorized to complete all repairs and renovations, thanks to an enthusiastic staff who donated paint, "elbow grease", and valuable time, we were able to open the Books and Bears Room to the delight of our youngest subscribers. The room has been inundated with gifts of stuffed bears and there are intriguing bear paw tracks to guide the youngsters up the stairs to the childrens' room, a great way to introduce the little ones to the fun of reading. Despite all this effort the room is not energy efficient and already more book shelves are needed.

As usual we have had the support of the Friends of the Gale Library. The group has provided the library with an audio-visual cabinet for the movie projector, a much needed vacuum cleaner, and an Apple computer and printer, allowing us to begin to computerize the card catalogue and to compile an accurate record of the collection.

At the request of the Trustees, Realty Inspectors, Inc. conducted an inspection of the library building in an effort to determine its structural condition for future planning. The building was found to be in good condition structurally. Among the suggestions offered: that the attic be vented; that the retaining wall in the front be removed and the lawn be graded to allow better drainage; and that the rear parking lot be paved. The report has provided a valuable blueprint for prioritizing the most urgent needs in maintaining the library building.

The Trustees are grateful to all the people in Newton who have given their support to the efforts to provide a library which serves as a cultural, educational, and social center in our community.

Respectfully submitted,

Elizabeth Eaton  
Frances B. Mears  
Marylou Fowler

**GALE LIBRARY  
DIRECTOR'S REPORT**

In retrospect, we see our efforts of the past three years culminating into an attractive, efficient facility in 1986. In 1984, a thorough "weeding" of the entire collection was done, eliminating out-dated books and material, books with poor circulating histories, and books in unacceptable physical condition. Completing this process gave us the necessary space to up-date and expand the collection, and we continue to do so.

In 1985, inventory of the adult and children's collection showed us a more accurate count of the entire collection. Having outgrown the children's area in the Ella Yates Room, 1986 saw staff members cleaning, painting, re-arranging shelving and furniture, enabling us to move the "E" collection to its own room. The "Books n Bears" room, a temporary measure at best, gave us the space needed immediately to add shelf space for the "E" collection. Added space in the main room was used to create a quiet area for those of you who enjoy browsing through the New Hampshire collection or wish to spend time reading and studying. We will continue to weed and inventory the collection every two years, in order to keep our records current. We will continue to expand our reference and non-fiction to accomodate the ever changing fields of science and technology as well as, social and political areas, make available current fiction and audio visual materials. We will endeavor to keep open communications between the school district and the library, assisting in any way we can.

As the library community grows, so does the workload. This year the Friends of the Gale Library, have donated an Apple IIe computer and an Okidata Printer, a nine drawer Shelflist Catalog, an Oreck XL vacuum cleaner and many hours helping with programs for our youngest patrons. The workload has been lightened considerably by the efforts of this extraordinary group. Our sincere thanks to all of our "Friends".

Our thanks go to the Lion's Club of Newton for their generous contribution and to the many patrons who donated books, time, money and support to the library.

A very special thank you to our volunteers Ruth Bragg, Terry Descouteaux and Ginny Bartlett who have worked many hours for the library community.

We look forward to seeing you at Gale Library.

Respectfully submitted,  
Irene T. Nally  
Library Director

## ANIMAL CONTROL OFFICER REPORT

In 1986, there were 559 dogs licensed. My main goal in 1986 and again in 1987 is to see that all dogs are licensed and restrained to their own property.

I am looking forward to assisting you in any problems you might have relating to animals. You can reach me at (603) 382-8144.

Just a reminder to all dog owners: "Licenses expire on April 30, 1987. To avoid a Court Summons, please license your dogs on time".

I am asking for your help and cooperation in order to make 1987 a pleasant year for everyone.

## ANIMAL CONTROL CALLS FOR 1986

## BUILDING INSPECTOR REPORT

1986 has been a busy year for the Building Department. Although a decrease in the number of new dwellings from 32 in 1985 to 20 in 1986 has been offset by a trend toward additions to existing homes from 46 in 1985 to 64 in 1986.

We are pleased to welcome the Medical Marketing Company who has completely renovated the Rolla Round Building for offices and warehouse facilities.

Also, Mr. Dennis Fitzgerald's new complex on South Main Street will be a convenience long needed in Newton. We should welcome further growth of Commercial enterprises such as these.

An article in the 1987 Town Warrant, to upgrade the Building Codes, is needed and hopefully will meet with the approval of the voters.

**STATISTICS - Year Ending December 31, 1986**

New Homes	20
Additions & Renovations	64
Barns & Sheds	4

**MASTER PLAN COMMITTEE REPORT**

After over two years of preparation, on May 15, 1986, the Master Plan Committee formally submitted to the Planning Board a completed Master Plan.

After several Public Hearings and some changes, on September 9, 1986, the Planning Board formally adopted the full Master Plan.

We feel this document is the tool that will guide the future of our town. We request the Planning Board continually monitor this plan and alter it as circumstances warrant.

I wish to express the honor I felt to serve on this committee and with the members of the committee. These individuals served countless dedicated hours on this plan with the objective of securing a brighter future for our Town. It is with deep respect that I thank the following:

Charles Melvin  
Ann Morin  
Mary Allen

Timothy Sherrill  
Elliott Estey  
Arleen Glines

Paul Demers  
Scott Goad  
Geri Weisman  
(Rockingham Planning Com.)

Capital Reserve Fund	Police Equipment	5,000.00
Capital Reserve Fund	Library Alterations	5,000.00
Lions Fund	Purchase Library Books	100.00
<b>TOTAL</b>		<b>\$25,640.00</b>

**BOARD OF APPEALS REPORT**

The Board of Appeals has experienced a busy year in 1986. With increased activity in the growth of Newton, it has reflected on the Board.

Among the usual variance requests there were numerous times when people asked to address the Board for discussion purposes only.

The Board would like to recognize the retirement of its long-time and knowledgeable Chairman, Christopher Sherrill in March. The Board is fortunate to still have the ability to use Chris's years of experience as their alternate member.

Robert Gleichauf was selected Chairman of the Board in April, bringing his years of expertise as a member to this important position.

Respectfully submitted,  
Nancy J. Marden  
Secretary/Clerk

**NEWTON PLANNING BOARD REPORT**

The Newton Planning Board held 59 meetings; 24 of which were Public Hearings, 25 work sessions, 5 On-Sites and the remaining were regular sessions.

There were several work sessions with the Master Plan Committee. The end result being on July 8, 1986, the Board received the final draft and on July 24, the Public Hearing was held. On August 12, a Public Hearing was held and the Master Plan was adopted minus the Future Land Use Section (FLU). On August 20, 1986 the Board met to amend the FLU Section and on September 9, 1986 the final Public Hearing was held. The FLU Section was amended and adopted to complete the process. On October 2, 1986 the Master Plan was signed by a majority of the Board. What lies ahead to make a total Planning Package is the Capital Improvements Program (CIP). The Board has appointed a group of citizens to begin the planning process of the CIP in anticipation of Town approval for a finished plan as required per RSA 675.

The Board proposed a zoning change to the Town in March, 1986 to amend Section XIII, General Provisions RE: Junk Yards which was voted upon favorably. Proposed by petition, for which the Board is required to hold the Public Hearings, were 4 articles.

It was voted by the Board to request the Selectmen to hold a Special Town Meeting for November 4, 1986 to address the following:

- 1) Rezone the Industrial Land to Light Industrial/Commercial which was spawned from the Master Plan. It was voted to present this zoning change. The Town voted in favor.

- 2) Lot size increase for Residential Zones from 40,000 sq. ft. to 60,000 sq. ft. and 60,000 sq. ft. to 90,000 sq. ft. which was spawned out of the Master Plan and Capital Improvements Program discussions. The Board voted to present this. The Town voted in favor.
- 3) Rezone the Sargent Estate (approximately 205 Acres) from Industrial to Residential A. This was per the request of the owner. The Board voted to present this. The Town voted unfavorably.

The Board had prepared to present an Aquifer Ordinance but withdrew it due to incomplete map studies. However, when the State finishes its Geologic Study, if the results are favorable, the Board would expect to proceed. Also, the Board worked on a Cluster Ordinance during the summer months, but the effort was inconclusive and was shelved. During the process the Board gathered a wealth of information and a good understanding for Cluster.

The Board is presenting to the voters of the Town for March, 1987 the following:

- 1) Amend the Commercial property in the Southern part of Town to increase the depth. This was spawned from the Master Plan. The Board voted on September 10, 1986 to proceed with this proposal.
- 2) Propose BOCA Building Codes per RSA 674:52.
- 3) By petition a Cluster Zone and a Cluster Zoning Ordinance. The Board voted on January 19, 1987 to not recommend.

There were two Proposals put forth:

- 1) On November 25, 1986, Mr. Bowers proposed to Rezone:
  - a) From Plaistow Line to Newton General Store - both sides of Route 108, 1,000 feet deep--Commercial.
  - b) Rezone from New Boston Road to East Kingston Line -both sides of Route 108, 1,000 feet deep from Residential A to Commercial.
  - c) Rezone Rows Corner and Colby Property from Residential A to Commercial.
  - d) Rezone land off Peaslee Crossing Road to Smith Corner Road abutting Sargent land off Route 108 from Residential A to Light Industrial/Commercial.

Results: The Board did not act on this proposal.

- 2) On December 23, 1986, the Light Industrial/Commercial Committee proposed to rezone the following:
  - a) Excluding Residential property along Route 108, rezone land abutting Sargent Estate running to Peaslee Crossing Road to Light Industrial/Commercial.

Results: The Board voted to have the Committee research and fund the project with the goal of a Special Town Meeting. On December 28, 1986, the land owners sent a letter opposed to the rezoning of the land.

- b) For discussion, the Committee proposed to rezone Rows Corner to Commercial.

Results: Taken under advisement.

There were many marathon work sessions with applicants for Non-Residential Site Plans. It was an extensive exercise in paper work, but was successful in that the applicants complied on paper. However, the final test to the success of the Non-Residential Site Plan Review process lies with the policing powers of the Building Inspector and the enforcement by the Selectmen.

The work load has increased with 21 applications for subdivisions. 10 subdivisions were signed with a total of 23 lots released. However, 3 subdivisions were denied and 7 are pending with an approximate total of 50 lots, depending on soil type. Compared to last year's 7 subdivisions with 14 lots, the problem is not in the number of people wishing to subdivide but the number of lots they are requesting.

The Master Plan is the foundation for orderly growth and the Capital Improvements Program is the tool that will determine the rate and amount of growth. The Board is looking to 1987 to be a productive year in addressing growth control, cluster, aquifer, amending and updating our regulations.

There has been a gradual evolution within the Board with the resignation of Joseph Wadleigh (9 years) Kip Kaiser (6 years) and Leo Axtin (6 years). David LeDuc and Suzanne Ryan's terms expire in March, 1987, and if not reappointed would leave a predominately Freshmen and Sophomore Board. It is with this in mind that the Board voted to request funds (which would be recovered through a fee program, charged to developers) for a Circuit Rider Planner and limited legal counsel for the Board. A Circuit Rider Program would head off otherwise costly mistakes in procedure or judgement in planning problems and help guide in rewriting the ordinances that are under the jurisdiction of the Board, which are lagging dangerously behind. This will in the long run, save on legal costs and prevent developers from circumventing the Town Regulations and Zoning Ordinances.

The Town is at a crossroad in determining its future. It is important that all Boards work together to project a delicate mixture of Residential, Light Industrial/Commercial and Conservation land for the future generations. It is important that the citizens get involved and submit their ideas and input. The issues at hand are difficult, but the Town has been spared any irreversible changes. However, it is the citizen of the Town who makes the final voting decision as to the direction the Town will take.

All meetings are open to the public so please feel free to participate at a work session or regular meeting night, as your input is always welcome. The Board meets the second and fourth Tuesday of the month at 7:00 PM in the A. Marian Hatch Building located at 22 South Main Street. The 1st meeting is geared for Public Hearings and the 2nd meeting is for work sessions. Public Hearing Notices and work session dates are posted in the Town Hall and the Post Office for your information.

Respectfully submitted,  
Suzanne Ryan, Secretary

## RECREATION COMMISSION REPORT

The past year has seen quite a few improvements in our recreation areas and programs. Our summer program was one of the most eventful programs to date, as there was some event going on almost all of the time; thanks to our program director and her helpers. The swim program was also a big success as our swimming instructor was also a life guard.

The areas were all kept neat and usable at all times and they were used extensively by adults and children as well. Hopefully this summer the programs will be even better than this past year as we will continue to improve and build the areas even more than they are now.

We've got a wonderful group of people on the Commission whom I would personally like to thank for all they have done. I am looking forward to working together again this year to accomplish our goals.

Respectfully submitted,  
Leslie Hollinrake  
Director

## NEWTON CONSERVATION COMMISSION REPORT

The Newton Conservation Commission, which meets on the first Thursday of the month at 7:30 PM in the A. Marian Hatch Building, spent a good deal of time meeting with other Boards and Conservation Commissions.

There were several meetings with the Selectmen developing Warrant Articles, discussing the USGS proposals regarding aquifers, discussions of town property and developing a letter of agreement with a land researcher.

Members met with or attended hearings of the Planning Board on several occasions and attended some of the Master Plan Committee Meetings. On several occasions they were asked to give an opinion on the sale or retention of Town-owned property. Each time the Commissioners walked the property in question before rendering an opinion. They met with various residents regarding Dredge and Fill Permit Applications and wrote to the Water Resources Board to register objections when necessary.

The members met in Kingston with other area Conservation Commissions to discuss common anxieties and work programs. Identifying and mapping prime wetlands is a priority with nearly all the Commissions as they all seem to have problems with dredge and fill permit approvals by the State Board.

As part of their continuing education the members attended one of the Natural Resources Lectures and made plans to attend the series proposed for 1987.

Mountain ash seedlings were purchased and planted on the Town owned Marshall Property.

Forrest Reynolds was chosen as the Commission's Representative to the Solid Waste Committee.

Respectfully submitted,  
Myrtle B. Rogers,  
Secretary

Received from Town

\$220.00

Expenditures:

Tree seedlings	\$ 30.00
Dues & Seminars	115.00
Miscellaneous	20.00
Mowing Triangles	55.00

TOTAL

\$220.00

Respectfully submitted,  
Myrtle B. Rogers  
Treasurer

### BOARD OF HEALTH REPORT

1986 was an extremely busy year for the Board of Health. In March of this year a Health Ordinance was passed to require Prior Review of all new septic system designs and to require the inspection of all installations (during the process and prior to burial). In July, this ordinance was modified and clarified to include Test Pits & Perc Tests. Also an Ordinance was added to govern the installation and operation of septic holding tanks. The State also passed this summer a regulation allowing towns to assume all regulations set forth by the WS&PCC sub-surface division as they apply to the installation and operation of septic systems. We feel these actions will help us protect both the health of our residents and Newton's natural resources.

The area of solid waste has also been an active one for the Board of Health. You should check the reports of the Town and Regional District of which we have had great input. We have also been investigating and working to resolve several other problem areas in this area such as: illegal dumps, metal scrap pile and dump picking.

Several issues concerning Country Pond have been dealt with this year. An on-going study of the pond as it pertains to the Super Fund Site in Kingston has produced several reports that have been reviewed and commented on by the Board of Health. We conducted a series of tests around the pond this past year to help determine the fitness of the pond for recreational use. All tests to date have shown no problems in this area. Investigations have also gone on into possible contamination of the pond by septic systems.

With the State's adoption and further definition of Minimal Standards of Rental Housing, the Board of Health has taken on the investigation of all complaints in this area. Also the State has given the local Boards of Health many more duties and responsibilities as it pertains to Pre-schools and Restaurants. With these added duties, we found it necessary to add two Health Agents (salary to be split by the two); William Baker to assist with minimum Housing Standards and Test Pits and Marianne Pelletier to assist with Pre-schools and medical problems.

The area of Civil Defense and Emergency Planning also has been a new area of concern in which training sessions and drills have been attended. More work in this area is needed as Newton grows residentially and commercially.

We have and continue to entertain all inquiries from citizens and businesses pertaining to medical, environmental and emergency planning concerns as they pertain to the Health Department.

Respectfully submitted,  
Kenneth A. Pelletier  
Chairman, Board of Health

#### SOLID WASTE MANAGEMENT PLANNING COMMITTEE

This Committee was formed by action of the Town's 1986 Town Meeting. The Board met several times over the past year. Much time was spent in bringing committee members on board to the Town's situation as it applies to solid waste and actions by the District to which we belong. The committee also has been reviewing our current Transfer Station and future demands on the Town in respect to all forms of solid waste. In this regard, we have plans to conduct a town wide survey on a number of solid waste issues and to conduct public hearings on our findings.

The committee has also recommended further participation by the Town in the District Planning (149-M) and Implementation (53-B) process and to fund this effort at the requested levels.

The committee will be submitting to Town Meeting some procedural changes for this committee to conform with the new Districts.

Respectfully submitted,  
Kenneth A. Pelletier  
Acting Chairman

#### CAPITAL IMPROVEMENTS PROGRAM COMMITTEE

The purpose of a Capital Improvements Program is to establish:

- 1) The present Capital Resources (Buildings and Equipment of over \$2,500.00 value, including schools) of our community and,
- 2) Based upon projected growth and demands, the future Capital needs of our community.

Our program will develop a plan with affordability being considered.

If our Plan depicts the growth of our Capital Resources slower than our residential growth, a Growth Control Ordinance will be recommended. In this way, Newton can grow in a controlled manner.

The Committee, under the direction of the Planning Board, has commenced preparation of the plan. By State Statute, the Town must give the Planning Board the authority to complete a Capital Improvements Program. We will be seeking this authority at this Town Meeting. Your support is requested.

Respectfully submitted,  
Anthony S. Pennisi, Chairman

## INDUSTRIAL AND COMMERCIAL DEVELOPMENT COMMISSION

This has been a turbulent year with a change of name as well as change of membership. The Industrial and Commercial Development Commission is seeking a workable resolution with the citizens to bring diversified growth to a Town where little has existed. The Commission desires to be funded to hire a consultant to guide the Industrial and Commercial Development Commission with information on ventures less likely to be conventional and on locating appropriate properties for rezoning.

Respectfully submitted,  
John D. Marden, Chairman

### REPORT OF TOWN AUDITORS

This is to certify that we have examined the accounts of the Selectmen, Treasurer, Tax Collector, Town Clerk, Boat Tax Collectors and the Gale Library and find them properly cast and well-vouched.

We find the Treasurer, Tax Collector, Town Clerk, Boat Tax Collectors, Trustees of the Trust Funds, Deputy Tax Collector, Deputy Town Clerk and Road Agent to be properly bonded.

We hereby certify that we have examined the accounts of the Trustees of the Trust Funds and Revenue Sharing Funds of the Town of Newton of New Hampshire, N.H., together with a detailed statement of the receipts and expenditures with proper vouchers.

### STATEMENT OF REVENUES, EXPENDITURES AND FUND BALANCE

	<u>Revenue Sharing Fund</u>
Available Funds - January 1, 1986	\$ 1,165.50
Add Revenues:	
Entitlement Payments	19,878.00
Interest	530.72
<b>TOTAL AVAILABLE FUNDS</b>	<b>\$21,574.22</b>
Less Expenditures:	
Roads	\$ 7,200.00
Fire	3,800.00
<b>TOTAL EXPENDITURES</b>	<b>\$11,000.00</b>
Available Funds - December 31, 1986	10,574.22

Respectfully submitted.

## ROCKINGHAM COUNTY COMMUNITY ACTION PROGRAM, INC.

The Rockingham County Community Action Program, Inc. (RCCAP) is a private, non-profit, anti-poverty agency which has served residents of Rockingham County since 1965. The Greater Raymond Community Action Center is an outreach office of RCCAP which serves 15 towns in the central part of the county, including the town of Newton.

In the 15 towns served by the Greater Raymond Community Action Center, well over 1,200 households are experiencing financial problems serious enough to leave them without the means to provide for basic necessities. Of these, nearly 40% are elderly individuals or couples living on fixed incomes. The remaining 60% include the disabled, the unemployed, the underemployed, single parent families and the working poor. Regardless of their particular situations, all of these people are forced to seek outside assistance to meet their most essential needs.

Community Action plays an important role in meeting these needs by offering direct service programs as well as the help and guidance of our agency's staff. Of the major direct service programs offered by Community Action, the following were provided to eligible residents of Newton during the past year:

- 50 households received Fuel Assistance, a program which provides a financial grant of up to \$500.00 to assist with energy-related expenses.
- 1 home was weatherized through the Weatherization Program, which provided quality materials and labor to weatherize homes in order to reduce heating costs and conserve energy.
- 2 households received help through the Heat Source Repair Program, which provided for the repair or replacement of furnaces and heating units for low income homeowners.
- 40 women, infants and children received help through the WIC Program, which offers supplemental nutritious food and nutrition counseling to pregnant women, nursing mothers and children up to the age of 5 who are nutritionally at risk.
- 4 households received the services of the Pioneer Medical Systems emergency response system, which provides 24 hour access to medical services for the elderly and disabled.

In addition to these major programs, much of our staff time is devoted to working with people who come to us seeking help. During the past year, we received 37 calls or visits from Newton residents, many of which were crisis calls involving fuel and utility problems, the lack of food or clothing or general financial needs. By working closely together with local and state welfare administrators, fuel and utility companies, other human service agencies and interested church and civic groups, we are able to link those in need with the services available to them.

Since the services we offer greatly relieve the towns we serve from the full burden of providing for the needs of their low-income residents, we ask every community we serve to make a financial contribution to our agency based upon the level of service we have provided to its residents. The amount we request equals 3½ percent of the total dollar value of services provided during the previous

fiscal year, which means that we request \$3.50 for every \$100.00 we provide in direct services.

From September 1, 1985 through August 31, 1986, Community Action provided \$48,277.00 in services to Newton residents. We are therefore requesting the town of Newton to contribute 3½ percent of this amount, or \$1,690.00. The Town of Newton has contributed to our agency for several years, and we extend our appreciation to you for your continued support.

Respectfully submitted,  
Amy Mueller-Campbell, Director  
Greater Raymond Community Action Center

## ROCKINGHAM PLANNING COMMISSION

The Rockingham Planning Commission meets on the second Wednesday of the month at the Kingston Library at 7:30 PM. The Commission members from Newton are Mary Allen and Myrtle Rogers.

Planning Commissions are a valuable resource to member towns for supplying up-to-date information relative to changes in state and federal laws, hands on help in developing Master Plans, developing Solid Waste Districts, assistance to the various Town Boards in carrying out their programs, etc. Staff members are available to attend meetings when a request is made.

Planning Commissions have been called the "General Store" for Town Boards.

The Rockingham Planning Commission prepares an annual Legislative get-together to which all area legislators are invited. A program is designed to acquaint legislators with issues of regional importance that will require their attention in the coming session. Some of the programs have been on the need for clean water and its protection, solid waste, and the impact of unrestrained growth.

Dues are on a per capita basis and Newton has really received its money's worth of help in the Master Plan and Solid Waste Program preparations.

Respectfully submitted,  
Myrtle Rogers

## THE SOUTHEASTERN ROCKINGHAM COUNTY SANITARY/SOLID WASTE MANAGEMENT DISTRICT

The past year has been a very busy year for the District. It started off with the hiring of both engineering and planning consultants in May which allowed us to start the process of developing the plan. Simultaneously we negotiated with the state for a compliance schedule which was agreed upon in July. The initial schedule called for submission to Town Meetings in March of 1987 and submission to the Solid Waste Board by June. We also had to pursue the non-compliance of two towns with the Board. One of these two situations has been resolved, the other has been turned over to the Attorney General's Office to obtain COMPLIANCE.

Over the summer and into the fall, the District held meetings where the different facets of developing the plan were presented by our consultants and discussed by District members. Throughout this process, data was gathered and assimilated; options were discussed and narrowed down and the framework of a plan was created. Guest Speakers on special topics also presented varying viewpoints to the members.

Members of the Executive Board began meetings in July with two other Districts on areas of common interest. Out of these meetings and with input from our District meetings, the framework for the new consolidated District was created. An initial meeting with the State was held in November to discuss consolidation and votes were taken by the three Districts to merge. This was presented to the Solid Waste Board in December and the new District was formed and finalized in January, 1987.

A new District is simultaneously being formed to further explore and implement long range solutions. This group will negotiate, select and sign contracts with potential vendors and other parties. The formation of this District will require two Town Meeting votes (the first being March, 1987). Not all towns in the 149-M District will be part of the 53-B District.

Respectfully submitted,  
Kenneth A. Pelletier  
Chairman, SERCS/SWMD

EXETER AREA VISITING NURSE ASSOCIATION, INC.

Agency highlights for 1986 include increased number of highly skilled visits such as intravenous therapy in the home; establishment of the Care Continuum with Exeter Hospital and Seacoast Visiting Nurses; new skin cancer screening; addition of a foot clinic; and combining of the Blood Pressure screening with the Exeter Area Council on Aging.

In this regard I am pleased to present an overview of services provided to the town residents during 1986:

Nursing Visits	217	Footcare Clinic	79
Physical Therapy Visits	61	Flu Clinic	44
Health Aide Visits	191	Visits to Well Child	
Blood Pressure Clinic	6	Clinic	20
Iron/Sugar Clinic	7		
Home Visits to Mothers & Children	12	Value of Services	\$21,863.00
		1986 Appropriation	4,712.50
		1987 Request	5,487.50

Respectfully submitted,  
Claudia W. Finlay  
Interim Executive Director

## LAMPREY HEALTH CARE

Lamprey Health Care (formerly the Newmarket Regional Health Center) marks its sixteenth year of providing services during 1987. Lamprey Health Care operates two medical offices, one in Newmarket and one in Raymond. Both facilities provide general medical care, preventive health services, community outreach, social services and short term counseling with referral to mental health agencies. Services also offered by Lamprey Health Care include Senior Citizen Transportation and Information & Referral Services for Rockingham County.

The change of name from the Newmarket Regional Health Center to Lamprey Health Care was the result of a long and careful planning process. The word "Lamprey" was chosen because it brings a sense of history, and "Health Care" was chosen because it best summarizes what we do and what we believe in.

Along with our new name, 1986 was a year of big changes for Lamprey Health Care. In January, the new Raymond facility opened on Route 27. The new 6,200 square foot facility allows Lamprey Health Care to provide more services in a spacious modern facility to the residents of the Raymond area. The Board and Staff of Lamprey Health Care are in the planning process for a new facility in Newmarket to replace the current one on Elm Street.

Paul Friedrichs, M.D., a Family Practitioner, joined the staff in June, as did John Mark Blowen, Family Nurse Practitioner. They join Edward Benoit, M.D. and Karen Brainard, M.D. - Family Practitioners, Cynthia Rasmussen, M.D. - Obstetrician/Gynecologist, Sarah Oxnard, M.D. - Pediatrician, Michael Lewis, P.A.-C., Barbara Janeway, A.R.N.P., and Anne Fawcett, A.R.N.P. to the medical team for Lamprey Health Care. In June of 1987, Micki Kantrowitz M.D., Family Practitioner, will join the staff. The addition of physicians in recent years allows Lamprey Health Care to serve the growing population of this area effectively.

Under the direction of Dr. Rasmussen, Lamprey Health Care offers a prenatal program which includes prenatal, delivery, and postpartum care. Other components of the program include nutritional counseling, prenatal classes and social service referral.

Lamprey Health Care continues to operate the Senior Citizen Transportation Program. In December of 1986, Lamprey Health Care purchased two new 18+ passenger busses to replace two busses with many miles and high maintenance costs. These two new busses were purchased in cooperation with COAST (the Cooperative Alliance for Seacoast Transportation) and are a welcome addition to our fleet of busses. Three of the five busses are equipped with hydraulic lifts to provide services to the handicapped. The transportation service enables senior citizens to remain independent, self-sufficient and active by providing the means to needed services, including medical, food shopping and recreational trips. For further information, call 659-2424 or toll-free 1-800-582-7279.

In early 1987, a new medical information program will be available. Tel-Med is a taped library of "non-diagnostic" health information designed to provide basic facts about certain diseases, conditions or health issues. The library will contain 200 taped messages which can be accessed 24 hours/day, 7 days/week by residents with touch tone phones and Monday-Friday from 8 am - 4 pm by residents with rotary dial. The numbers to call to reach Tel-Med

are 433-3232 and 433-3242, and 659-7514 and 659-7516. The Tel-Med Program is funded by the Foundation for Seacoast Health of Portsmouth. For more information about Tel-Med, call 659-3106.

Lamprey Health Care wishes to express its deepest appreciation for the support of the Town of Newton.

Respectfully submitted,  
Ann H. Peters  
Executive Director

#### FAMILY MEDIATION REPORT

In 1986 Family Mediation of Southern Rockingham County has continued to provide essential services to juveniles and families in the communities of Atkinson, Danville, Hampstead, Kingston, Newton and Plaistow. The program serves as a juvenile court diversion program for juveniles who are experiencing difficulties at home, school or in the community. Services provided include mediation, probation, case assessment, case management, referrals and crisis intervention.

During 1986 the program worked with over seventy area juveniles and families. Funded by the six communities and the Hampstead-Timberlane United fund, the program is able to offer services to any area juvenile or family free of charge. As a result of this, many families have utilized the program successfully, resolving issues without further need of Court intervention and possible placement of the juvenile outside of his/her home and community.

Once again I would like to extend my appreciation and gratitude to the volunteer mediators and Board of Directors without whom the program could not function. It is their dedication to the members of their communities that allow the program to provide the effective services that it does.

We look forward to another year of involvement with local families and hope that area residents will continue to support the work being done by this program.

Respectfully submitted,  
Dawn Barnes Krygeris  
Program Coordinator
